

WASHINGTON, June 26.—Important intelligence was received here this morning, brought by the last mail from Europe, from Madrid, to a gentleman in this city, and has been laid before the Government, in order that it may understand what now going on in Spain in reference to Mexico and Cuba. The writer says that a document has just been published by order of the Government, having for its base the Mexican question, which is so mixed up with the question of Cuba, that if the church party cannot drive Juarez out of Vera Cruz, it will be necessary the Spaniards should do so, for if not the island of Cuba will run great risk. The document further says the absorption of certain territory of Mexico by the Yankees under the McLane treaty will, in its consequences, lead to the taking of the island of Cuba. The glories of Morocco, says the writer, have elevated these people to the clouds, and with this belief they think they can carry their triumphs into Mexico. It is already a thing resolved upon, and all the resources of the Government are ready to take the conquerors to the plains of Mexico. The orders to the navy have been sent to Cuba to hold itself in readiness at a moment's warning.

POLITICAL DEMONSTRATIONS.—BINGHAMPTON, N. Y., June 27.—On the receipt of this news announcing the nomination of Breckinridge and Lane, a hundred guns was fired in the National Democracy, accompanied with the ringing of bells, lighting of bonfires, the letting off of fire-works and other demonstrations of rejoicing.

CHICAGO, June 27.—One hundred and five guns were fired here this evening by the National Democracy, in honor of the nomination of Breckinridge and Lane.

CONCORD, N. H., June 27.—The nomination of Douglas and Johnson is being ratified tonight, both in this city and at Manchester, with great enthusiasm. At Manchester a salute of 200 guns is being fired, interspersed with fire-works and speeches. Hon. E. W. Harrington, Irvin, and others.

BRECKINRIDGE, Va., June 27.—The friends of Douglas and Johnson fired 100 guns here tonight, in honor of their nomination. Speeches are being made, bonfires illuminating the streets, a band of music is playing, and great enthusiasm is manifested.

EARL, PENN., June 27.—One hundred guns were fired here yesterday, in honor of the nomination of Douglas. Military companies paraded, and the enthusiasm was very great.

MEETING OF THE DOUGLAS NATIONAL COMMITTEE.—The National Democratic (Douglas) Committee met at the National Hotel, Washington city, on Tuesday, for organization and to prepare for the campaign. August Belmont, of New York, is Chairman, and Thomas Cottman, of Louisiana, F. O. Prince, of Massachusetts; John A. Harman, of Virginia; and Hugh J. Scott, of Ohio, are Secretaries. The Executive Committee is as follows: Belmont, of New York; James J. O'Brien, of North Carolina; C. C. of Connecticut; H. D. of Pennsylvania; Cottman, of Louisiana, and Polk, of Michigan. The Committee have power to appoint substitutes.

SAN FRANCISCO.—This tropical root has a reputation wide as the world. For curing one class of the disorders that afflict mankind—a preparation too weak it deserves as the best analgetic we possess for scrofulous complaints. But to be brought into use, its virtues must be concentrated and combined with older medicines that increase its power. Some reliable compound of this character is much needed in the community. Read the advertisement of Dr. AYER'S SAPPHARINA in our columns and we know it needs no encouragement from us to give our citizens confidence in what he offers.—*Oregon, Syracuse, N.Y.*

The Charlotte (N. C.) Bulletin enumerates ten democratic papers in that State out for Breckinridge and Lane, and none for Doug or the Raleigh Standard is to be heard from.
